

Reminders for all members

- Members booking the hall must be in attendance at the function.
- Members are responsible for all guests attending their function.
- Any alcohol not supplied by the club must not be brought into any functions or on the club premises, this includes the car park and gardens at the front and back of the club. If found the party may be shut down early and your membership may be revoked.
- If any members or their guests are found buying alcohol for anyone underage, this may result in the party being shut down and your membership may be revoked.
- If any members or their guests are found in possession of illegal substances, this may result in the party being shut down and membership may be revoked and will be reported to the police.
- Any anti-social behaviour may result in the party being shut down and your membership may be revoked.
- Smoking is not permitted anywhere inside the club, designated smoking areas must be used. These are the front sports bar garden and back garden only.
- The licensing of the club prohibits any members or their guests from taking alcohol away from the premises. This means drinks must be finished by closing time.
- The garden areas are closed to anyone under the age of 18 after 10:30pm.
- No drinks are permitted outside the garden areas after 10:30pm.
- Members are responsible for making sure all club rules are followed by their guests both in functions and any guests they are signing in.
- No persons under the age of 18 are permitted in the sports bar Monday-Thursday.
- Members must follow all opening and closing times.

The list above is not inclusive and members should follow the full list of club rules outlined in the handbook and these are subject to change.
